

Advanced Control Products

The Right Valve
The Right Application
Right Now!

J Flow Controls, LLC

- Sanitary direct mount valves, 2-way and 3-way
- 3-way, 4-way & 5-way valves
- Two piece, 2000 psi valves
- Alloy valves
- Direct mount 2 piece & 3 piece with steam-rated seats

- Cryogenic valves
- High pressure valves
- Special application valves
- Instrumentation valves
- Fire safe valves
- Steam and thermal fluid valves

- ISO shaft to mount pneumatic, electric and rotary to butterfly valves
- Butterfly valves size range 2" - 140"
- Wafer/Lug style butterfly valves
- 200 psi rated bidirectional
- PVDF, teflon and nylon-coated discs
- Phenolic bonded cartridge seat

B BERNARD

- Electric Actuators for quarter-turn, multi-turn and linear on/off and modulating service
- "Intelligent" worm gear actuators
- Field-bus circuits
- Electric fail safe actuators

- Triple offset, metal seated, extended performance butterfly valves
- Quarter-turn convenience
- Tight metal-to-metal sealing system
- Long life seats
- Wide range of materials including alloys

- Fire safe, metal-seated high performance butterfly valves, ANSI 150, ANSI 300, ANSI 600
- Stainless steel soft seated butterfly valves interchangeable with Keystone®
- High performance soft seated available in ANSI 150, 300 and 600
- Butterfly valves available in alloy materials
- Sample valve system environmentally safe, closed-loop system
- Tablet sanitary butterfly valves
- High performance soft seated available in ANSI

- High performance lug knife gate valves
- ANSI 150 - 600 knife gate valves
- Full automation capabilities
- Broad range of materials
- Full line of check valves

- High pressure ball valves to 6000 psi
- High pressure 3-way & 4-way valves to 6000 psi
- Hydraulic valves to 15000 psi
- Manifold 2-way & 3-way high pressure valves
